- ◇ Choose a date and reserve a venue if necessary. Depending on your event, you might be required to get a permit or insurance. Remember, events at home with family and friends can be just as successful as one at a larger venue.
- ◇ Identify your fundraising goal. Prepare a budget if necessary and talk to local businesses about donating services or product to help support your goals.
- ◇ If hosting a larger event, form a committee or recruit family and friends to help with the organization process. Delegate portions of the event and have each committee member / helper report on their progress.
- ◇ Let our Community Events Coordinator help you! You can reach Andrea at events@jenash.org or 905-852-1799 x25 for any assistance with promotional materials including brochures, buttons, newsletters, banners, photos of JACC kids and their stories, etc. She's here to help make your event a massive success!
- ◇ Promote your event. Put up posters in your community. Send friends, family & co-workers info about your event. Tell everyone you know!

- ◇ Promote via Facebook and Twitter. Don't forget to tag us @jenashcharity and our Facebook Page. We will cross-promote with you!
- ◇ After the Event: Return JACC banners and left over promotional materials to JACC (if applicable)
- ◇ After the Event: Remit funds to the Jennifer Ashleigh Children's Charity (Aim to have this done within two weeks of the event) Submit the list of donors that require donation tax receipts.
- ◇ After the Event: Send photos of the event to Andrea Fretz at events@jenash.org. We would love to recognize your efforts in our newsletter and social media!
