

JACC Monthly Donors

Invest monthly in a child’s health. As little as the cost of a coffee can make a big difference in the life of a sick child and their family.

Each month you can help a seriously ill child with the basic necessities of life.

Your gift makes it easier for families to focus on what truly matters ... their child’s wellbeing.

Visit our donation page to see how YOU can help seriously ill children in the communities around you.

Thank you for your support. You provide sustaining help to families at JACC when they have no idea what the future holds.

SUMMER 2022

Your Support Means the World!

“Thanks to your donors for always supporting your organization that can help families like mine and others in need of support’.”
- Zamila’s Mother

This wouldn’t be possible without generous donors like YOU!

From the bottom of our hearts, thank you for standing by our Jennifer Ashleigh Children Charity families like Zamila’s in their time of need.

The Lives You Touched

These are just three of the areas you helped support last year:

Support to children from

101

different cities and towns across Ontario

97

Nights of accommodation, keeping parents close while their child received treatment (including Ronald McDonald House costs)

Ongoing transportation costs for

80

sick children to get to and from medical appointments

Thank
you
MY JACC FAMILY

We couldn’t have done any of this without YOU!

THANK YOU!

Meet sweet little Zamila.

Zamila was born with Sickle Cell disease but because of your support, Zamila and her family have been able to focus on her health.

Life has not been easy for Zamila and her Mom, but you have shown them that with a little extra support, there is no challenge too big too conquer.

You helped keep a roof over their head when they needed it the most. During difficult and stressful times the last thing anyone wants to worry about is how they are going to pay the bills. You helped Zamila’s family worry a little bit less about that.

Keeping Zamila’s family together in their home is a tremendous gift. Thank you.

Sweet Zamila has an ongoing journey... she is so strong and continues to fight everyday!

Updates Since Our Last Newsletter

McHappy Day 2022

Uxbridge and Port Perry McDonald's chose to support four local charities, including Jennifer Ashleigh Children's Charity during their 2022 McHappy Day!

They hosted bottle drives leading up to McHappy Day, and then served everyone's favourites on May 11th, 2022.

Together, Uxbridge and Port Perry raised over \$44,000 for local charities. A portion of the proceeds went to JACC families in need.

Thank you to these two amazing communities, the sponsors and the McHappy Day team for making this possible!

Charlotte's Den

A sustainable, upcycling, used furniture boutique. Charlotte's Den offers the sale of unique signature pieces of furniture, artwork and accessories displaying the latest trends by volunteer decorators.

Charlotte's Den has now hosted four pop-up shops with 100% of all the proceeds going to JACC.

Thank you to everyone who put this all together to support seriously ill children and their families across Ontario!

Because of you, they got through their toughest times

Ten year old Daniel has multiple diagnoses, including Spinal Bifida, Hydrocephalus and Global Developmental Delay.

At this difficult time, donors like you showed compassion and helped Daniel's family with the cost of rent so they could focus all of their energy on Daniel's health and wellbeing.

In an emergency situation, you supported Daniel and his family, keeping a roof over their heads while they are coping with so much.

Thank you for making this possible. We couldn't do this important work without your generous support!

"We would like to use this opportunity to say 'A big thank you!' to JACC and your donors for their generous gift!"
- Daniel's Father

Look at this sweet little face!

Three year old Grace has been through a lot during her life so far.

Grace and her family have made multiple trips to Toronto for several diagnostic procedures, as well as heart surgery.

Grace was diagnosed with DiGeorge Syndrome, Tetralogy of Fallot, and a bleeding disorder.

Because of your generous support, this little girl and her family received help with one-on-one respite care. During this tough time, donors like you showed compassion towards Grace and her family.

"Due to COVID-19 restrictions, I was not able to stay at Grace's bedside in the hospital overnight while she was in the Intensive Care Unit. Your financial assistance made it possible for us to stay in a hotel close to the hospital as a family. This was a very emotional time for our family; being able to be together, close to the hospital was incredibly helpful." - Grace's Mother

Save the Date!

Who adores a night out with friends and family enjoying fantastic food?

Get ready for Perfectly Paired... We are so excited to see you all back at our first in-person event after these crazy two years! You don't want to miss out!

Come enjoy the finest local foods and beverage pairings on a night out in support of seriously ill children across Ontario.

This will definitely be a night to remember. Keep an eye out for more information coming soon!

Perfectly Paired
