COMMUNITY, COMPASSION, AND THE POWER OF GIVING TOGETHER FOR COLTEN: A FAMILY'S JOURNEY AND GRATITUDE

Life changed forever for Colten and his family when at just nine years old, Colten was diagnosed with a grade IV glioma/brain cancer. After suffering a 2hr seizure, he was rushed to hospital for emergency surgery, where doctors confirmed the devastating diagnosis.

For months, his family had to relocate to be close to the hospital while Colten underwent chemo & radiation. Being away from home came with overwhelming emotional and financial challenges. That's when your donations helped ease the burden allowing the family to stay close to Colten and focus on what mattered most: his care.

Today, Colten continues to travel 1,600 km each month for treatment. His family describes life as "day by day", but with gratitude for the ongoing support they've received. "We will never forget the kindness of Jennifer Ashleigh Children's Charity and the impact it made on our lives," his parents shared. Thanks to the generosity of donors, families like Colten's never have to face these journeys alone.

CRUISIN' FOR THE CAUSE: THE CENTURIONS' RIDE OF GENEROSITY

The Centurions Motorcycle Club, North Toronto Chapter, brought the roar of their bikes and the warmth of their hearts to support children and families this summer. From their Cruisin' for a Cause fundraiser to volunteering at our Annual Country BBQ, their generosity has made a lasting impact.

At the BBQ, the Centurions gave kids full access to their prized motorcycles, revving the engines, and creating unforgettable memories. Judging by the laughter and smiles, it was clear they were a highlight of the day.

But the Centurions are more than motorcycles. Their community spirit powers hope, raising critical funds for Jennifer Ashleigh Children's Charity and The Hospital for Sick Children through their annual Cruisin' For The Cause Ride & Rally motorcycle event. At this year's event, the

Centurions transformed passion into impact, raising over \$30,000 to support families facing medical crises. As one of the oldest law enforcement motorcycle clubs in North America, they've built a tradition of giving back, proving that when people come together, incredible things happen. We are so grateful to the Centurions for standing with us.

TEAMWORK IN ACTION - READY FOR THE YEAR AHEAD

At our annual team retreat, we took time to plan, dream, and set goals for the year ahead. Together, we are committed to strengthening our community of volunteers, expanding our outreach so that more families in need know where to turn for help, and growing our list of monthly donors to ensure lasting & predictable support. Thank you Jericho Foundation for enabling this getaway at Silver Eagle Cottages.
